CLUB NET SPONSORSHIP REQUEST FORM

TO PARENT: CLUB NET will consider your request for aiding with the registration fees for your child based on the submission of this request form. We recognize that certain financial hardships should not prevent potential athletes from achieving their potential and the club is willing to consider this request for aid with the registration fees for the 2019-2020 season. Additionally, our club wishes that our players be solid academically as well as athletically, and therefore we request that a consideration be made for players that have achieved high academic standards.

Please understand that this form is a request only and the final approval will be made based on consideration of all applicants. Your submission is strictly confidential and will not be made available to anyone other than the 2019-2020 Officers of the Board.

The maximum amount rewarded to any player would be 50% of the Club Net Fees,

DISCLAIMER: It's important to understand that the financial commitment to the sport of competitive volleyball is one that extends past the original registration fee. The initial cost of registration fees and the uniform are only a portion of what you can anticipate over the next year. The team will participate in approximately 7 tournaments during the season, which may or may not include travel within a 200-mile radius over the weekend. Cost of gas, up to 2 nights of lodging and food can cost between \$100 - \$300 for a weekend tournament. Some of this cost can be offset by carpooling and eating in; however, each player's ability to make it to tournaments is a requirement of the team and club to participate at this level.

TO COACH: CLUB NET is highly dependent on its qualified coaching staff to make the right decisions for the team and the club. As a result, the coaches input on the player's attitude and potential to help the team be successful is critical to the overall sponsorship process.
